

K-Love is not located here in wilmington, but our family listens to it constantly. I have 2 teenagers, and a daughter who is 22. They all listen to it (2 keep it on even when they are sleeping). I keep it on constantly. It truly would devastate our family if K-Love were displaced by an LPFM broadcaster. And not only our family, but many others in our community would be affected by the loss of K-Love (I personally know many other Christian families who listen to K-Love.) Families with impressionable young children and teenagers can safely listen to K-Love, knowing the messages in the music are wholesome and positive. How many stations can boast that? Keeping K-Love on the air truly serves the public's best interests. Please do not replace K-Love with some LPFM station.Please! Thankyou.
